I. INTRODUCTION

National Council on Aging (NCOA) is issuing a Request for Proposal (RFP) to seek a qualified public or non-profit organization for the provision of Senior Community Service Employment Program (SCSEP) services through a subgrant with NCOA. Through this RFP, a qualified service provider will be identified and selected to assist SCSEP-eligible residents in all the counties detailed in the Overview and Timeline section, to foster individual economic self-sufficiency and promote useful part-time opportunities in community service assignments. Those eligible for the SCSEP program are unemployed, low-income persons who are 55 years of age or older. The subgrant award is based on the successful completion of the national competition for SCSEP national sponsors, the results of which should be announced in late May 2020, with an anticipated grant program year starting on July 1, 2020 and ending June 30, 2021. If this competition results in a slip to the start of the program year as it has on occasion in the past, the start date will be October 1, 2020 with the end date remaining June 30, 2021. In both cases, there will be opportunities for renewal for successful subgrantees on an annual basis for up to five consecutive years following the period specified in this announcement. SCSEP funds are contingent upon the availability of federal funds, and renewals are not guaranteed and always based on each subgrantees continued success in achieving specified grant performance, operational and financial goals.

A. About National Council on Aging

National Council on Aging (NCOA) is committed to making it possible for low-income and other disadvantaged older adults to participate fully in determining their own future and the future of their communities. One of the four original national sponsors for the SCSEP, we have operated the program, our largest, since 1968.

B. Our Current Network of Local Subgrantees

Since the U.S. Department of Labor (DOL) awarded NCOA its first grant in 1968, we have operated the program partially through local subgrantees. Through our subgrantees, over 4000 disadvantaged seniors will serve their communities in 273 counties spread over 11 states.

We work with a diverse network of subgrantees, including:

- 8 community action agencies
- 4 area agencies on aging
- 2 institutions of higher education
II. REQUEST FOR PROPOSAL

The National Council on Aging is seeking a qualified public or nonprofit agency (referred to as “Subgrantee”) to administer SCSEP, Title V of the Older Americans Act. SCSEP is the only Federally sponsored employment and training program targeted specifically to low-income older individuals who want to enter or re-enter the workforce. Program participants receive work experience at local public or non-profit agencies and are paid a training stipend that is the higher of the Federal, State or local minimum wage, or the prevailing wage for similar employment, for approximately 15 hours per week while in community service and other job training. Program participants are not considered employees of NCOA, the subgrantee, or the agencies at which they train. The dual goals of the program are to promote useful opportunities in community service job training and to move SCSEP participants into unsubsidized employment, where appropriate.

This RFP is being broadcast and your input requested before the SCSEP national competition begins so that NCOA can cite the local connections and successes of its subgrantees as part of its competitive input. Our expectation is, as one of the original national sponsors of the SCSEP going back to 1968, that we will be successful in this the fifth competition since 2003.

While it is imperative that you bid for all the authorized positions in all the counties noted in this RFP, we have no guarantees that we will prevail in these counties, or that we will receive 100% of the authorized positions available. Calculate budgets for this RFP based on the assumption we will receive 100% of available participant positions so that you can plan. Use the budget calculator at Attachment C. We also don’t know whether the Department of Labor will finish the competition scoring in time to start Program Year 2020 in July or in October—they have done it both ways in the past. Thus we ask that you calculate both a 12 month and a 9 month budget for the first program year to plan for either scenario. You should also use Attachment C to calculate and answer question 6 at Attachment B, Administrative and Fiscal Qualifications.

III. ROLES AND RESPONSIBILITIES

NCOA and its subgrantees work in partnership to ensure the best outcomes for each participant and the overall program. The following provide a brief overview of roles and responsibilities of the subgrantee and NCOA.

Subgrantee. Key among their responsibilities, subgrantees recruit SCSEP-eligible individuals, assist them in gaining the skills and confidence necessary to secure unsubsidized employment, provide training, especially community service employment for the number of participants specified in the sponsor agreement, facilitate their unsubsidized employment and promote their retention in those jobs. To accomplish this, subgrantees take the following steps:
• Provide Supportive Services to Participants

Sub grantees are required to assess all participants’ need for supportive services and to make every effort to assist participants in obtaining needed supportive services. Supportive services includes but are not limited to providing directly or arranging for the payment of reasonable costs of temporary assistance, health and medical services, special job related and personal counseling, incidentals such as work shoes, badges, uniforms, eyeglasses; and tools; dependent care; housing, including temporary shelter; needs related payments; and follow-up services.

a. Components

1. Supportive services are funded through the Other Participant Costs (OPC) funding category. To the extent practicable, the sub grantee should arrange for the payment of these expenses from other resources.

2. The need for any supportive services is to be consistent with and documented in the participants IEP and in case notes with appropriate supporting documentation (formal assessments, etc.) including the justification, cost and source of the service and the length of time the service for which the service is authorized.

3. Sub grantees are to ensure participants understand that supportive services are not an entitlement for the length of participation.

4. With the exception of temporary housing, all supportive services have a cap of $75.00 per service. Any supportive service request by the participant must be maintained in the participant’s program file by completing the Supportive Services Request Form.

5. All supportive services are to be made available on an equitable basis to all participants within a sub grantee’s area of service.

6. To ensure successful placement, sub grantees recipients may provide supportive services to a participant placed in unsubsidized employment during the first 12 months of unsubsidized job placement to facilitate retention by determining if the individual has the necessary supportive services to remain in the job.

Supportive services may include, but are not limited to, all or some of the following:

(i) Counseling designed to assist participants with their community service training assignments and with obtaining unsubsidized employment

(ii) Counseling designed to assist participants with health and nutritional matters, Social Security, Medicare benefits, and laws regarding retirement

(iii) Providing incidentals such as work shoes, safety glasses, eyeglasses, and hand tools, if these items are required for participation on the program and are not available from local resources at no or low cost to
the project (NOTE: Training sites should provide incidentals such as uniforms if participants are required to wear them.)

(iv) Instruction designed to help the participants in their community service training assignment

(v) Periodic meetings that provide information to participants concerning health, job seeking skills, safety, and consumer affairs

(vi) Dependent care

(vii) Follow-up services

- Protect all Personally Identifiable Information (PII). PII refers to any information about an individual maintained by you, including any information that can be used to distinguish or trace a participant’s identity, such as their name, Social Security Number, date and place of birth, mother’s maiden name, biometric records, etc. and any other personal information which is linked or linkable to a participant. Paper documentation containing PII must be stored in a locked and secure location with access limited to trusted personnel. Electronic records with PII must be encrypted or password protected.

- Meet all performance goals outlined in their Sponsor Agreement;

- Employ at least a one full time SCSEP project director and other personnel necessary for the direction, programmatic and financial administration and supervision of the SCSEP program; for subgrants with over 150 authorized and/or covering multiple counties, provide any additional infrastructure and staffing required to successfully operate and manage the grant.

- Recruit and select eligible participants for enrollment in SCSEP;

- Recruit and select host agencies;

- Promote linkages and partnerships with local employers and public workforce providers; and

- Comply with SCSEP policies, procedures and related requirements, such as using the DOL database for SCSEP (SPARQ) and maintaining a reject rate of less than 1.5%, as well as NCOA’s Data Collection System (DCS) and forms to inform NCOA about performance measure data and other information necessary for the program; and

- Use our case management method, specifically the assessment and Individual Employment Plan (IEPs) to guide all program services, including appropriate community service assignments, additional training, job development and placement assistance and supportive services; and

- Submit the NCOA SCSEP Monthly Financial Report (MFR) no later than the 10th day of the following month that details all spending by category of spending and
line item and includes supporting documentation for all spending.

NCOA SCSEP staff supports every subgrantee by:

• Providing guidance, training and coaching on program planning and performance, program expenditures, data collection, and SCSEP and NCOA policy;

• Providing technical assistance on NCOA’s person-centered approach to IEPs, community service assignments, and unsubsidized placements;

• Monitoring program performance and operations;

• Ensuring quality data, training and supporting subgrantees’ data entry staff, and using NCOA SCSEP Data Collection System (DCS) and the DOL SPARQ data collection system, maintaining a reject rate of no more than 1.5% each week, and reports; and

• Assisting on cost reporting and other fiscal matters.

IV. FUNDING

Subgrantees’ SCSEP budgets are formula-funded based on the number of authorized positions. Each budget has three line items plus a non-federal component:

1. **Participant Wages and Fringe Benefits (PWFB)**, which are dedicated funds for the wages and fringe benefits for the time that participants spend in approved program activities (e.g. orientation, community service assignment, orientation, other permissible training). Participant wages are based on the higher of the Federal, State or local minimum wage or the comparable wage for similar employment. Subgrantees must spend 100% of the PWFB funds provided in the subgrant. Generally, subgrantees pay participants’ wages every two weeks.

   SCSEP regulations list required fringe benefits as: the offer of an annual physical examination; workers’ compensation coverage; and make up hours for those that were scheduled work on Federal holidays, and make up hours for sick days. Fringe benefits prohibited by SCSEP regulations include contributions to retirement plans, annual leave, sick leave, bonuses, or any carryover of benefits from one program year to the next.

2. **Administrative Costs (ADM)**, which are the costs associated with:
   • Performing overall general administrative and coordination functions, including:
     o Accounting, budgeting, financial and cash management functions;
     o Procurement and purchasing functions;
o Property management functions;
o Personnel management functions;
o Payroll functions;
o Coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports;
o Audit functions;
o General legal services functions; and
o Developing systems and procedures, including information system, required for these administrative functions.

- Oversight and monitoring responsibilities related to administrative functions.

- Costs of goods and services.

3. **Other Enrollee Costs (OEC)**, which include, but are not limited to, the costs of the following functions:
   - Outreach, recruitment, and selection, intake, orientation, assessment and preparation of IEPs;
   - Participant training provided on the job, in a classroom setting or utilizing other appropriate arrangements, consisting of reasonable costs of classroom space, training supplies, materials, equipment and tuition;
   - Job placement assistance, including job development and job search assistance, job fairs, job clubs, and job referrals; and
   - Participant supportive services.
   - Participant development activities
   - Participant transportation
   - Program staff salaries in proportion to the percentage of time conducting the above services

4. **Non-Federal Share of Costs (Non-Federal)**. Subgrantees provide at least a 10 percent non-Federal contribution to SCSEP. As part of submitting this application, the subgrantee agrees to this voluntary commitment, which must be from non-Federal sources.

Non-federal costs can be broken down into three categories:

- Cash component is monies from non-federal sources that sponsor expends in support of the program. This might include, but is not limited to, the project directors’ salary and fringe benefits, the cost of general liability insurance and rent paid for either the premises or meeting rooms, if paid in cash.

- Indirect is the amount of overhead paid by the sponsor and distributed based on an approved distribution plan.
• In-kind costs are the value of non-cash goods and services that directly benefit the program. In-kind costs can come from host agencies, the subgrantee and the local community. In-kind costs can include, for example, the value of supervisory time that the host agency provides for participants. Other examples of in-kinds costs are donated or discounted professional services, space charges, meeting space, telephone and transportation.

The total estimated amount of funds for this twelve (12) month PY20 subgrant is attached. In addition, the total estimated amount of funds for a nine (9) month PY20 subgrant is also attached for reference in the event the national grantee competition is delayed and results in an October 1, 2020 start.

In order to cover the administrative costs associated with SCSEP grant oversight, NCOA assesses a flat administrative fee to each Subgrantee. That fee is estimated to be $4,775 for PY2020. This cost is built into the referenced budget calculator that each applicant must complete.

V. TARGET POPULATION

The following information describes key aspects of the program. For more in-depth understanding, please join the scheduled Bidders’ Webinar (see Section XII of this RFP for more information) and refer to the resources listed in Section XIV of this RFP.

Eligible Participant. An individual is eligible for SCSEP if he or she is not employed at the time of enrollment, is age 55 or older, has not previously participated in SCSEP for 48 months, and has includable family income totaling no more than 125 percent of the Federal poverty guidelines.

Priority of Service for Individuals with Multiple Barriers to Employment. SCSEP provides priority of service to those most-in-need as provided at 20 CFR 641.520. These individuals:

• Are veterans (or eligible spouses of veterans) for purposes of §2a of the Jobs for Veterans Act, 39 U.S.C. 4215(a)
• Are age 65 or older;
• Have a disability;
• Have limited English proficiency;
• Have low literacy skills;
• Reside in a rural area;
• Have low employment prospects;
• Have failed to find employment after using services provided through the American Job Center delivery system; or
• Are homeless or at risk of homelessness.
Individual Employment Plans (IEP). Subgrantees assess each SCSEP participant to determine his or her skills and employment-related needs, and develop a plan to improve the participant’s employability. The initial IEP includes an appropriate employment goal for each participant. The subgrantee must then provide or arrange for training and other supportive services identified in participants’ IEPs that are consistent with SCSEP’s goal of unsubsidized employment. (Other employment and training programs sometimes refer to this type of plan as an Individual Development Plan or Individual Training Plan). The subgrantee monitors the participant’s IEP progress regularly and completes a reassessment for each participant at least twice during a 12-month period, and updates the IEP as necessary but at least twice a year. If the subgrantee determines that the initial goal of unsubsidized employment is not feasible, the subgrantee reviews the IEP to reflect other approaches, including transitioning to other services or programs, to help the participant achieve maximum self-sufficiency and an enhanced quality of life after SCSEP participation has ended.

Unsubsidized Employment. An important goal of the program is to help participants achieve self-sufficiency when they exit the program. For participants whose IEP includes a goal of unsubsidized employment, subgrantees provide training opportunities that enable participants to obtain such employment. In addition, subgrantees provide regular follow-up communication, for 12 months after exit, with former participants and employers to ensure that the person retains the job. Quality training efforts, appropriate placements, and good relationships between the subgrantee and the local employer community increase the likelihood of successful unsubsidized employment and job retention for SCSEP participants.

Community Service Work-Based Training. Providing subsidized work-based training through community service is the core feature of the SCSEP service delivery model. The training must be provided by a public agency or 501 (c)(3) non-profit organization that meets the requirements of a host agency. Participants earn wages and develop the confidence and skills needed for successful employment; the organizations that host the participants benefit from the participants’ work. Community service may include but is not limited to activities such as social, health, welfare and educational services; weatherization efforts; and economic development. The training provided at these host agencies must be consistent with the participant’s assessment and IEP.

Host Agencies. Host agencies provide supervision, training and work sites for SCSEP participants and may be public agencies or 501 (c)(3) non-profit organizations. Host agencies provide training and work experience for participants. Subgrantees also work with host agencies to identify appropriate training that does not lead to maintenance of effort violations.

Maintenance of Effort. A community service assignment for a SCSEP participant is permissible only when specific maintenance of effort requirements are met. Each subgrantee must not reduce the number of employment opportunities; displace currently
employed workers; impair existing contracts or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed; or employ a SCSEP participant to perform the same work or substantially the same work as that performed by any other individual who is on layoff.

**Other Permissible Training.** Subgrantees can provide other types of training in addition to work-based community service training. This additional training is tailored to each participant and may include classroom training or general skills training. With prior approval from NCOA, training can also include specialized training and on-the-job experience training.

**Coordination with American Job Centers, State and Local Workforce Investment Boards, Area Agencies on Aging, Other SCSEP Providers.** As a required partner, all SCSEP subgrantees must coordinate activities with local American Job Centers (Job Centers) administered by Local Workforce Investment Boards under the Workforce Investment Act through a Memorandum of Understanding (MOU). Subgrantees also coordinate with other SCSEP providers and area agencies on aging to ensure seamless support to help participants achieve self-sufficiency.

**VI. NCOA SCSEP Performance Measures**
The subgrantee must achieve the performance goals outlined in their Sponsor Agreement with NCOA. As stated earlier, NCOA will provide training, guidance and technical support to assist the selected subgrantee. During the Bidder’s Webinar (see Section XII of the RFP for more information), we will answer questions on the performance measures and other aspects of SCSEP. Listed below are the PY20 goals for NCOA’s current subgrantees.

1. **Number of eligible individuals served**
   Total number of people served is 185% times your number of authorized or modified positions

   **PY20 Goal = 185% of authorized positions by June 30, 2021**

2. **NCOA Unsubsidized Placement Goal**
   50% times your number of authorized or modified positions

   **PY20 Goal = 50% of authorized or modified positions exited into unsubsidized jobs by June 30, 2021**
3. Spend 100% of Participant Wages and Fringe Benefits (PWFB) by the end of the program year.

In addition, the Secretary of Labor may set additional performance indicators, which if done, NCOA will require of all its subgrantees. Although the Secretary has not set any goals or specific targets, the measures would be:

- Retention in Unsubsidized Employment for One Year
- Satisfaction Level of Participants, Employers and Host Agencies
- Volunteer Work Indicator

VII. ELIGIBILITY & MINIMUM QUALIFICATIONS FOR RESPONDING ORGANIZATIONS
