

# Oasis Institute Medicare Reimbursement Learning Collaborative Participant Profile

---

## Mission:

---

Promote healthy aging through lifelong learning, active lifestyles, and volunteer engagement.

---

## Aim(s):

---

- 1) Determine the organizational approach for obtaining Medicare reimbursement (through a partner, other collaborator, or directly).
- 2) Develop a partnership with at least one clinician to provide oversight and supervision for the Health and Behavior Assessment and Intervention (HBAI) benefit.
- 3) Among network partners, develop agreements for implementation of the HBAI benefit.

---

## Partnerships:

---

- Mid-East Area Agency on Aging
- Eastern Missouri Regional Arthritis Center, Washington University Program in Occupational Therapy
- Missouri Association of Area Agencies on Aging
- Missouri Arthritis and Osteoporosis Program, University of Missouri
